

# Sweet Dreams

Dream Big Little One

Roller Blind Collection

## Decorating your child's room is easy with our Sweet Dreams Range

Featuring cool and colourful prints inspired by popular themes and on trend colours to brighten up any room and create an element of fun.

**Scandinavian** motif inspired, with 'roarsome' dinosaurs, geometric shapes and magic creatures designed to spark your little adventurer's imagination!

Meanwhile, **Night Night** is our neutral and stylish star design with a little surprise up its sleeve... it glows in the dark!

For your princess, **Fairytale Daisy** adds a magical touch in the room while party animals can suit the little man in the family who is an animal cartoon lover.

We all know that as children grow their curiosity does too, so all our rollerblinds are provided with a safety chain lock. You can also opt to motorised your blinds for enhanced safety, convenience and ease of use through a touch of a button.
